Development

Touch Puzzles

The holiday season is also a time of gift giving and receiving. Below are some gift ideas of items that you can use at home to help stimulate your child's speech/language and motor skill development:

Touch and Feel Match Puzzles
Color Puzzles - for colors, textures, and naming common objects

Spud Buds – for body parts and pronouns

Who Lives Where? Game – for colors, naming animals, and matching items

Hip-O's Menu Match

Shape puzzles

Nesting Blocks

Measure Up Cups

Roll & Play game

Flip Flop Faces

Progressive Puzzles

Mini Motors

Who Lives Where?

Shape puzzles

Spud Buds

Hip-O's Menu Match

Most of these items can be found at your local Target or Wal-Mart, but, we also recommend checking out TJ Max, Ross, and Marshalls. They usually have some great items at discounted prices. Also, don't forget about local consignment shops; these are good places to find gently used toys at low prices.
